

HOLEMAKER PRO 35 MS

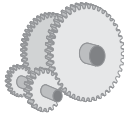

PIPE DRILLING MACHINE

Cutters
35mm

Twist Drills
16mm

Speed
350 rpm

Features

- All of the features of the standard Pro 35 machine, with the addition of 4x Permanent rare earth magnets allow for external drilling of pipe minimum diameter 300mm or internal drilling of pipe minimum diameter 1000mm
- Quality, Compact & Robust European Made Machine
- Ideal for on-site and overhead tasks
- Solid, robust construction
- Dual rail slide system provides rigidity and eliminates the need for gib adjustments
- Gravity feed, through spindle coolant system
- Magnetically attached coolant bottle, which can be easily removed and attached to the work piece, allowing coolant feed whilst drilling in horizontal applications
- The feed handles can be placed on either the left or right hand side
- Cutter guard system is easy to use and practical.
- Smart magnet technology to ensure sufficient magnetic adhesion
- Comes complete in metal carry case
